UK PLASTER

Classical Mouldings

UK PLASTER with over 150 years combined experience can provide you with design, ideas and advice to create or re-create a spectacular, dramatic effect to homes, offices and public buildings and can enhance the most simplest of features.

Whether you are a private home owner, designer, builder, architect, merchant or contractor you can be assured of receiving a professional, quality service and competitive prices.

UK Plaster are involved in many projects both large and small scale, from the smaller private houses, prestigious homes, major house builders and hotels nationwide. We also have worked closely with English Heritage for the restoration of various properties.

Combining age old tradition and the latest technical knowledge our team of highly skilled craftsmen produce an extensive range of hand made high definition moulds.

We can also design and create an exact reproduction of existing plasterworks for renovation or restoration. All our products are precision moulded from glass fibre and silicone rubber moulds, reinforced with wooden laths and hessian for strength and durability. We use only the finest quality plasters available.

Our products can be easily fitted by professionals and DIY users. In addition we also have a specialist team of fitters with a wealth of knowledge and experience should you require their skills.
